

Laundry references list

Our partner KUBOTA, biggest MBR membrane manufacturer in the world, has more than 4000 references at this application.

Over the last ten years we realized more than 40 industrial treatment installations with this MBR technology. A significant part of them are laundries.

<i>Laundry references</i>	<i>Realisation</i>	<i>Production</i>	<i>Capacity (m³/d)</i>	<i>Recuperation</i>
<i>Melapret – Temse</i>	2004	Blue	150	50%
<i>Initial – Lokeren</i>	2006	Blue + White	300	15%
<i>Mireille – Heusden</i>	2007	Blue + White + Mats	150	60%
<i>Atomic – Betekom</i>	2008	Blue	75	70%
<i>St. Roch – Halle</i>	2010	Blue + White	50	85%
<i>St-Joris 1 – Jeuk</i>	2012	White	150	75%
<i>Van Ende & Roxy – Herentals</i>	2015	Blue + White	150	85%
<i>Initial – Heppignies</i>	2016	Mats	100	70%
